**Reserve your exhibit space for CMOS-2006 Congress TODAY!**

**Dear Potential Exhibitor:**

The 40th Annual Congress of the Canadian Meteorological and Oceanographic Society (CMOS) will be held at the Sheraton Hotel in downtown Toronto, Ontario, Canada from 29 May–01 June 2006. The theme of the conference will be 'Weather, Oceans and Climate: Exploring the Connections'. Led by experts in meteorology, climatology, hydrology and oceanography, this conference will address some of the most significant scientific issues and hottest technologies in the marketplace. More than 450 presentations on all aspects of the meteorological and oceanographic sciences are planned. The highlights of the conference program include keynote addresses from top scientists, commercial exhibits, meetings, receptions and more!

I am writing to invite you to take advantage of this opportunity to display your products and services at Canada's most important meteorological, hydrological and oceanographic conference. Only CMOS brings you Canada's #1 opportunity to sell your products and services across the entire meteorological, hydrological and oceanographic spectrum. You will enjoy meeting with numerous specialists and decision makers, while discussing their requirements.

You will also receive free publicity in the CMOS Congress Program and Abstracts book. In addition, we will introduce your exhibit at a Plenary Session to all delegates. The latest information on CMOS-2006 Congress is available at: [www.cmos2006.ca](http://www.cmos2006.ca).

The exhibits will be centrally located in the conference area. Coffee and pastries will be served in this area at mid-morning, and mid-afternoon each day. Hence these will be the busiest times for the exhibitors.

The booth rental fee has been fixed at the rates shown on the Application Form with a discount of \$100.00 for PREPAID orders received before March 14, 2006. This fee includes two Congress registrations with all the privileges, including two copies of the Program and Abstracts book and banquet tickets.

Exhibitors are encouraged to sponsor coffee breaks, and have their name prominently displayed before and during the break. Several additional opportunities exist, ranging from co-sponsoring the banquet or a reception to sponsoring delegate bags or placing an extended advertisement in the Program and Abstracts Book.

Space is limited and will be allocated in the order in which applications are received. To avoid disappointment please complete and sign the attached application form, enclose your cheque or purchase order, payable to CMOS, and send to the above address. If you need an invoice first please fax the signed application to (905) 669-4838. Wishing you a successful exhibit in Toronto, the home of Toronto Maple Leafs, Toronto Argonauts and the Blue Jays.

Sincerely,

Oscar Koren
